

## Issues with iOS8 with the existing Web Map Apps.

---

Devices with iOS8 are encountering the following issues with the existing Web Map Apps currently available from the HCC Web Site. These issues are with any browser type.

Web Map Applications:

**Issue 1:** The Pan, Zoom In and Zoom Out functionality does not work.

**Work around:** Pan: NONE  
Zoom in and Zoom Out. Use the following icons

**Issue 2:** The measure tool functionality does not work.

**Work around:** NONE

**Issue 3:** Click on the map to return a popup report does not work

**Workaround:** NONE

We are currently looking into resolving these issues for devices running iOS8.
