<b>Hamilton Orienteering Club</b>			
Hamilton Orienteering Club Orienteering is a sport for everyone, despite their age and experience. It is easy to learn how to orienteer, however the sport provides endless intellectual and physical challenges to elite level. Typically different courses provide for a range of abilities. Orienteering is a sport for the whole family. Competitive orienteering involves using a detailed map to navigate one's way around a course with designated control points. We often organise events in Hamilton parks and there are three venues where permanent courses are set up (Hamilton Lake, Hamilton Gardens and Waikato University).
