Hamilton Orienteering Club			
Hamilton Orienteering Club Orienteering is a sport for everyone, despite their age and experience. It is easy to learn how to orienteer, however the sport provides endless intellectual and physical challenges to elite level. Typically different courses provide for a range of abilities. Orienteering is a sport for the whole family. Competitive orienteering involves using a detailed map to navigate one's way around a course with designated control points. We often organise events in Hamilton parks and there are three venues where permanent courses are set up (Hamilton Lake, Hamilton Gardens and Waikato University).

Waikato Kendo Club			
---------------------------	--	--	--

Waikato Kendo Club is a non-profit organisation established by Sam Tsai and Marleen Charng in March 1999 as the fifth All New Zealand Kendo Federation (NZKF) affiliated club. Kendo literally means "the way or the sword" and is a traditional Japanese martial art with an ancient history based in the culture of the Samurai warrior. The concept of Kendo is to discipline the human character through the application of the principals of the Katana (sword). Promoting friendship through Kendo and enhancing members' physical and mental well-being are Club's basic philosophy. Beginners are always welcome.
