Dear [REDACTED]

Further to your information request of 23 September 2014 in respect of motor vehicles owned by the Council, please find attached our detailed response.

Points to note in respect of the information provided are as follows:

- a) All HCC vehicles are purchased excluding GST. Consequently, if you require the purchase price, GST will need to be added at the appropriate rate for the year of purchase.
- b) The majority of the vehicles required additional fitting out. Consequently, the purchase price detailed on the spreadsheet includes these required fit out costs.
- c) Vehicles purchased from 2012 are all part of the AOG (All Of Government) contract. Consequently, we are not at liberty to show these costs.
- d) Managerial vehicles owned by HCC are included.

If you have any queries, please do not hesitate to contact me.
