Detailed Description of Request

Hello.

I am after visitor and tourist information for the Hamilton Gardens. Eg, how many visitors do the Gardens get daily, are the tourists or local. The sort of statistics that can be used for students to help them understand what design needs should be considered for a size of a new building design and movement.

Kind regards

Morning [REDACTED]

Sounds a wonderful project! We'd love to see how it plays out.

I hope the following helps – these are figures for the **enclosed gardens**:
Visitation during 2018: 450,000 (for the entire site we estimate 1.2 million each year)
Week days average 900 people
Weekend days average 2,000
Visitor split is approximately 1/3 for locals, rest of New Zealand and internationals
Busiest day of the week is Sundays

If there is anything else I can help with, please let me know.

Kind regards,
[REDACTED]

Subject: Enquiry From Website

Hello.

I am a teacher Spatial design teacher from Waikato Diocesan School. This year we are planning a hypothetical building design based in around the HCC gardens. It is going to be a Museum design based on light and celebrating Peace.

I was wondering if you could direct me towards where I might find information to share with my students on visitor numbers each year, eg, how many on average visitors the garden would get per day? what days are busier? how many visitors are local vs tourist? etc.

Kind regards
