**Subject:** LGOIMA 20021 INFORMATION RELATING TO DISPOSAL OF TYRES

Dear Malcom

**Local Government Official Information and Meetings Act 1987 Request**

I refer to your official information requested dated 3 February 2020 for *information relating to the disposal of tyres*.

**You requested:**

**I would like to make an OIA request to your organisation for all of the information you have on car / motor vehicle tyres that you have had to deal with over the years. The information I specifically seek is**

1. *You requested The cost you have incurred in dealing with the problem ?*
2. *Tyre piles that you know of that are in your jurisdiction ?*
3. *The information I seek is from Year 2000 to current ( 31/03/2019 ).*

Your request as currently framed will be very difficult to meet without substantial collation or research. The amount of time required to research and collate, estimated at over 40 hours, would impact unreasonably on Hamilton City Council's day to day functions.

Unless your request is amended, we may have to refuse it under section 17(f) of the LGOIMA, which applies where the information cannot be made available without substantial collation or research.

Please let us know before 14 February 2020 whether you are prepared to amend or clarify your request and, if so, how.

Please note, if you do amend or clarify your request, this will be considered to be a new request for the purpose of calculating the maximum statutory timeframe for response – see section 1397) of the LGOIMA.

Yours sincerely,

**Michelle van Straalen**
