Hi Michelle (and Steve Chapel, who kindly reached out yesterday),

Apologies for the delay in replying, it's been a busy week on my end.

Artworks would include paintings, drawings, murals (can be paintings, drawings, mosaics), sculptures, prints, carvings, and photographs. I'd like to include gifts, such as from sister cities.

I can confirm the request is for a list of artworks owned by the council (which includes council owned properties, like libraries and art galleries), with artist name, artwork title, and value where available.

I hope this helps. Please let me know if you require any further information.

Cheers.

Chloe

Hi Natalie,

I'm looking to do a story on how much artwork each council owns. To that end, could you please supply the following information under the Local Government Official Information and Meetings Act:

- How much artwork the Hamilton City Council has in its possession.
 - The name of each artwork, its artist, and how much the piece is worth. (Eg. A Pablo Picasso print called 'Self Portrait' worth \$3000).

If you need more information, please let me know.

I understand that a decision on a request for information under the LGOIMA should be made within 20 working days of receiving that request.

Cheers,

Richard Lewer	Remember that thou keep holy the Sabbath-day. Six days shalt thou labour, and do all that thou has to do; but the seventh day is the Sabbath of the Lord thy God. In it thou shalt do no manner of work, thou, and thy son, and thy daughter, thy man-servant, and thy maid-servant, thy cattle and the stranger that is within thy gates. For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the seventh day, and hallowed it.
