**19. PLANNING GUIDANCE**

Planning Guidance fees and charges are based upon actual and reasonable costs incurred by the Council in staff time and overheads to provide the service.

Council may require payment of additional charges when these fees and charges are in any particular case inadequate to enable the Council to recover its actual and reasonable costs in respect of the matter concerned.

**LAND USE**

Land use resource consent applications, land use certificates and other land use-related applications are subject to minimum non-refundable deposits. Land use resource consent application deposits include a monitoring fee of \$155.00. Any assessment and administration time spent beyond that covered by those deposits will be charged at the relevant hourly rates.

These deposits do not include engineering assessment and processing fees. Land use resource consent applications which require engineering assessment and processing will be charged a minimum non-refundable deposit of \$670. Any additional engineering time spent beyond that covered by this deposit will be charged at the engineer hourly rate. Land use certificate applications and other land-use related applications which require engineering assessment and processing will be charged at the engineer hourly rate.

Other additional fees may also apply. See Additional Planning Related Charges below.
