Dear Carmen,

Plan Change No 6 – Hearing May 2020.

Thank you for your messages about the hearings for Plan Change No 6.

I have looked at the Section 42a Hearing report and Recommendations and I am happy to accept the recommendations.

Therefore I don't now wish to present my submission at the hearing in person or via Zoom.

I assume that the Hearing Commissioners will have seen my submission and would appreciate receiving a copy of their decision in due course.

I will send a copy of this letter to Claire Douglas for her information.

Yours sincerely,

Warren Stace
