John Gallagher	Gallagher	<p>Gallagher are responding to Chapter 9, Industrial zone. Chapter 9.3 Support Chapter 9.4.1 Support Chapter 9.4.7 Oppose, This wording needs clarification, as we do not understand what activities would be defined as outdoor storage. Our industrial sites all have some degree of outdoor storage, so we do not want Council telling us that this no longer can be stored outside due to the District plan rules. Gallagher support the Proposed Plan change 6, in terms of the number of Resource Consents with the change to permitted activity, providing no more complex rules are added to the mix once other consents are applied for. Making the process more simple not complex is necessary for future development within our organisation.</p>	Not Answered
