1. The specific provisions of the Proposed Plan Change that my submission relates to are as follows: [Please refer to the specific section or part]

Submissions Plan Change 3
Temple View Boundary Alteration
There has been alot of theiving, and rubbish dumping on our road, and we dont want it to increase.

2. My submission is that:

[State in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons]

Whatawhata Road cannot cope with all this traffic, there are already traffic jams, from Wallace Rd, right through to the Dunstable roundabout.

I wish to oppose the submissions, as the road between the new subdivision linking into Wallace Road will create driving kaos, jamming not only Wallace Rd, but Whatawhata Rd

There has been one new subdivision directly opposite Wallace Road with about 50-60 cars in it, and there is another planned on the corner of Wallace Rd, and whatawhata Rd.

3. I seek the following decision from the Hamilton City Council:

[Give precise details]

Not To Link a road between the new subdivision and Wallace Rd

4. I ~~do~~/do not wish to be heard in support of my submission.

[Please cross out the part of the statement that does not apply to you]

5. If others make a similar submission I would/~~would not~~ be prepared to consider presenting a joint case with them at any hearing.

[Please cross out the part of the statement that does not apply to you]
