**This is a Ruakura Variation Further Submission on the Hamilton City Council Proposed District Plan (the Proposal):**

<b>The specific submission that my further submission relates to is:</b>	<b>Support or Oppose</b>	<b>My Ruakura Variation Further Submission is:</b>	<b>I seek the following decision from the local authority:</b>
West, Jennifer - 50.06	Support	I agree that for the Nevada Road and Sheridan Street location it will be impractical to accommodate walkways, cycleways, greenspace, swales, visual barriers, ecological corridor and storm water collection basins within a minimum width of 40 metres. A minimum of 100 metres width is evidenced to be more reasonable.	That the Open Space width be increased from 40 metres to 100 metres adjacent to Nevada Road and Sheridan Streets, Silverdale.
