**SECTION 41C RESOURCE MANAGEMENT ACT 1991 - MINUTE #10 - HEARINGS
COMMISSIONERS**

1. On 12 November 2019, Commissioners received a Joint Memorandum from counsel for Fonterra Limited and the applicant (together, the Parties) requesting an extension to the submitter evidence timetable set out in Minute #8 dated 17 October 2019. That timetable required submitter evidence exchange no later than 12 November 2019.
2. The Joint Memorandum notes that the Parties are actively engaged in seeking to address concerns raised by Fonterra Ltd in its submission and further submission on PPC2, and that any such resolution would assist the hearing process in terms of efficiency and the need to hear related evidence. The parties seek an extension to the timetable for Fonterra Ltd's evidence exchange to Monday, 18 November 2019.
3. We have considered that request, agree that it would be of assistance to the process, and that no other parties are likely to be prejudiced by that extension.
4. We therefore direct that Fonterra Ltd's expert evidence may be submitted no later than 4pm, Monday, 18 November 2019.
5. Any and all correspondence relating to this Minute should be sent through Mr Steve Rice, Hearing Administrator: steve@riceres.co.nz.
