Delegations to Positions Policy

Purpose and scope

1. Part of Council's strategic and governance role is to ensure that its statutory responsibilities, duties and powers are carried out at the most effective and efficient levels. This Policy sets out the delegations from Council to specified elected members and officers.
2. Matters outside the scope of this Policy are:
 - a. Delegations from Council to Committees, which are specified in the 2019-2022 Governance Structure; and
 - b. Delegations from the Chief Executive to subordinate officers through management policies or by way of a specific delegation.

Definitions

| Term | Definition |
|--------------------------------------|--|
| Committee | A committee or subcommittee (if any) of Council, as listed in the 2019-2022 Governance Structure |
| Delegated Financial Authority | The financial limit delegated to: <ol style="list-style-type: none"> a. the Chief Executive or a specified officer under this Policy; or b. an officer under the relevant management policy or a specific delegation from the Chief Executive. |
| Governance Structure | The Council's approved Governance Structure document, including the terms of reference and delegations for Council and Committees, for the current triennium. |
| Officer | A Council staff member who is for the time being the holder of a specified office. |

Principles

3. Where local authority activities do not contain a governance component and are not limited by statutory restrictions then they should be delegated to the Chief Executive, who may sub-delegate to officers.
4. To be effective and of legal standing, all delegations from Council must be precise and in writing (i.e. via this Policy or by Council resolution).

5. The delegate is acting in his or her own name on behalf of the Council when exercising delegated authority. In so doing, the delegate will ensure they act in accordance with any:
 - a. binding statutory authority (in relation to each delegation, relevant sections of legislation will be identified); and
 - b. relevant Council policy or process, including delegated financial authority and reporting requirements.
6. Council retains ultimate responsibility for its governance, statutory and financial responsibilities, duties and powers at all times. No delegation relieves Council of the liability or responsibility for the performance of the delegated responsibility, duty or power.
7. Those with responsibility for a delegated task or function should always have the authority to carry it out effectively.
8. Those with authority to perform a delegated responsibility, duty or power should always be responsible for the performance of the delegation in a full, fair and objective manner. To this end, it is open to the person delegated a responsibility, duty or power to consider whether or not to exercise that delegated responsibility, duty or power, or to refer the matter back to Council or the relevant Committee.
9. Subject to any legislative restrictions, a responsibility, duty or power delegated to an officer is also delegated to all officers in a direct line of authority above that officer and is also delegated to any officer who is in an acting capacity for that officer.
10. Any delegation made includes any ancillary responsibilities, duties or powers necessary to give effect to that delegation.
11. Unless specifically restricted, a delegation continues in force until expressly revoked or varied by resolution of Council. A delegation will survive any change in the person occupying the office to which the delegation was made.
12. Unless otherwise expressly stated in the Policy:
 - a. all financial values stated in this Policy are GST exclusive; and
 - b. all references to a repealed enactment should read as a reference to its replacement.

Policy

The meaning of delegation

13. For the purpose of this Policy, delegation means the transfer of a responsibility, duty or power from Council to specified Elected Members, the Chief Executive or other specified officers, together with the authority to carry out that responsibility, duty or power or complete the action delegated.
14. General delegation means the granting of authority to determine a range of matters of a similar kind as and when they arise over a period of time without further reference to the delegator.
15. From time to time the Council may delegate authority by resolution to determine a specific issue. This specific delegation will exist only so long as that matter is unresolved and will then lapse at a specified time.
16. General delegations will be updated in this Policy as they are confirmed. Specific delegations may not necessarily be recorded in this Policy due to the fact that they would be largely historical by the time they are recorded.

Legal basis

17. The delegations in this Policy are made in accordance with the Local Government Act 2002 and any other legislation permitting delegation.

18. **Council cannot delegate** the power to:

- a. make a rate; or
- b. make a bylaw; or
- c. borrow money, or purchase or dispose of assets, other than in accordance with the long-term plan or otherwise as expressly covered in this Policy; or
- d. adopt a long-term plan, annual plan, or annual report; or
- e. appoint a Chief Executive; or
- f. adopt policies required to be adopted and consulted on under the Local Government Act 2002 in association with the long-term plan or developed for the purpose of the local governance statement; or
- g. adopt a remuneration and employment policy.

(Local Government Act 2002 - Schedule 7, Clause 32 (1))

Council has reserved other matters for its sole decision, which are recorded in the Governance Structure.

19. The **Chief Executive and other specified officers** can further delegate their delegations to any other officer, subject to certain restrictions.

(Local Government Act 2002 – Schedule 7, clause 32B)

Delegations by the Council to Elected Members

20. Delegations from Council to specified Elected Members are detailed in Schedule 1.

Delegations by the Council to Chief Executive and Specified Officers

21. Delegations from Council to the Chief Executive and specified officers (including Financial Delegations) are detailed in Schedule 2.

22. The Policy is to be read alongside the Hamilton City Council management policies that record the delegations from the Chief Executive to subordinate officers. The Policies, read together, record compliance with the statutory norm allowing only one sub-delegation.

Review of Policy

23. This Policy was reviewed in April 2020 to allow an appropriate and agile response to Covid-19 response issues, with an intent to review the April 2020 amendments to financial limits no later than 30 June 2021. As such, these changes will have effect until 30 June 2021 unless earlier revoked or extended.

24. Further changes were also made to the Policy in April 2020 to delegations to the Local Civil Defence Controller in order to mirror the operational structure of the Civil Defence Emergency Management Group for the Waikato Region Emergency Operating Area during the Covid-19 state of emergency. Again, these changes will have effect until 30 June 2021 unless earlier revoked or extended.

25. The Policy shall remain in effect until such time as it is varied or revoked by resolution of the Council. It is intended that the Policy will be reviewed and updated from time-to-time; at the start of each triennium as a minimum.
