**Principles**

5. The Council recognises that disabled people need equity of access enabling them to participate fully in and contribute to community and civic life in Hamilton City.

6. The Council is committed to ensuring that both elected members and staff have awareness and understanding of the issues that affect the disability community.

7. The Council services, activities and facilities will be responsive to the diverse needs of disabled people.

8. The Council recognises and acknowledges that disabled people are experts in their own experience.

9. The Council will reinforce a culture that respects the diversity of all people who live in Hamilton and continues to strengthen partnerships with disabled people built on this respect.

10. The Council will support disabled people to fully participate in their communities considering the principles of universal design.

11. The Council recognises the need to improve access to facilities, programmes, services and information provision for disabled people.

**Policy**

12. Information from the Council will be appropriate and provided in accessible formats.

13. The Council Plans and Strategies will provide opportunities for participation and contribution to community life for disabled people.

14. The Council will work in partnership with Government and other organisations on behalf of and with disabled people to improve equity of access.

15. The Council facilities and infrastructure will be accessible and meet best practice standards.

16. The Council will provide appropriate parking for disabled people to enable permit holders to park close to their destination.

17. Public transport infrastructure managed by the Council will meet the needs of disabled people.

**Monitoring and implementation**

18. The implementation of the Policy will also be monitored by Council’s Disability Advisor, supported by a cross Council accessibility group that includes representatives from the disability community.

19. Performance against agreed actions and targets in the Disability Action Plan will be monitored and reported annually to the Community Committee.
