PayMyPark

With the PayMyPark parking app you can pay for your parking from your smartphone and extend your time remotely. No more searching for coins, no receipt needed and pay just for the parking you need.

- Download the free app from the Apple App Store or Google Play
- Register your details
- Pre-load credit via credit card, debit card or internet banking.

Benefits

You pay only for parking time you use – no need to guess how long you need to pay for parking.

- You can receive an alert when your paid parking is about to expire and extend your time remotely.
- If you finish early, you can stop the parking time and get a refund to your account.
