Dear Mayor Mr King,

Please will you pass this submission to the committee members who are considering the proposal for a Pak n Save on Te Rapa at the North end of our city.

I submit that it would be very healthy for our city and our nation's economy if we permitted the establishment of a New Zealand enterprise in close competition with an Australian business, especially as the Australian business has a policy of not stocking NZ made products in their Australian based stores.

Yours hopeful for a patriotic decision re Pak n Save,

Paul Wood.

Dr. P. A. Wood.
