- The cost of a parking hood is **\$27** per day for all metered parking spaces
- **Maximum period** of time allowed is **5 working days** – renewal is through new application
- Parking hoods and permits can not be issued for private vehicles
- There is no cost for parking in Civic Plaza (end of Worley Place) or Garden Place – **permits are issued only if space is available**

CONDITIONS OF HIRE

- Parking hoods/permits are for use with vehicles, waste bins (and/or other as specified) necessary to the work in progress. (Work in progress is defined as construction or premises maintenance work or relocation).
- The blue copy of the permit for a reserved parking space must be displayed at all times.
- Possession of a meter hood or parking permit that is not actually used at the time is not a defence to any infringement notice that may be issued.
- The minimum parking hood hireage/parking permit consent period is one day (one day = 24 hours) and the maximum period five days. Renewal is through a new application. In some cases a special application will be considered for longer periods.
- Should a parking hood be stolen during the period of hire then a replacement cost of \$125.00 is also payable.
- Failure to observe all conditions will result in a request for the return of the hood issued and a refusal to reissue.
- Council reserves the right to cancel any consent or refuse to issue where any vehicle or waste bin use causes any public safety concern, odour or otherwise adverse effect.

Responsibility: The hirer is responsible for the parking hoods or permits. When hoods are not returned by the end of the agreed hire period the hirer will be charged normal hire cost for each day the hood is in their possession (even if not in use). When hoods are not returned their hirer will be charged a replacement cost of \$125.00. A lesser fee of \$20 will be charged for unreturned locks or keys.
